To Whom It May Concern,

This letter is to inform you that there is a need, desire and demand for vegan treats in Ottawa! I frequent your establishment often, and I would love to be able to purchase desserts that have no egg, dairy, or other animal by-products. Auntie Loo's Treats is Ottawa's premier bakery, who provides fresh-baked goods to many health food stores and cafes around town. Their ingredients are mostly organic and are locally purchased whenever possible; all products are made by hand in small batches. While their business primarily consists of wholesale and special orders, they also have a retail storefront for customers to visit which has been open since 2009. All of their products are 100% vegan, and many of the treats can be made gluten-free. Many people are becoming more aware of their gluten allergies, and these treats are perfect for those with lactose intolerance.

Some of the products they offer are brownies, Nanaimo bars, scones, cinnamon buns, berry oat bars, cupcakes, and whoopie pies. They also have many seasonal products which change all year round. My personal favourite treats are the _____.

If you are interested in contacting the bakery for more information about their wholesale accounts, please call the owner, Amanda Lunan, at (613)238-2566. She can also be reached via e-mail at mandi.loo@auntieloostrats.ca. More information can also be found at their website: <http://www.auntieloostrats.ca>. The bakery is located at 507 Bronson Avenue.

Thank you for your time, and I certainly hope to be able to get Auntie Loo's Treats at your establishment one day!

Yours Truly,
